

**Applied Math 247**  
**Linear Algebra I & II**  
**Summer 2009**  
**Tuesdays and Thursdays**  
**5:10 pm – 9:30 pm**

**Instructor**

Instructor: Darren Atkinson  
E-mail: datkinson@scu.edu  
Office hours: Tuesdays and Thursdays, 3:00–4:00 pm  
Office: EC 245  
Website: <http://www.cse.scu.edu/~atkinson/teaching/su09/247/>

**Textbook**

Bretscher, *Linear Algebra with Applications*, 4th ed., 2008.

**Grading**

Exams: 20% each (6/23, 6/30, 7/7, 7/14, 7/21)

**Schedule**

We will be covering chapters 1–8 of the text. Five 1-hour exams will be given.

Week 1 (6/16, 6/18)	Tuesday 5:10–6:30 lecture 6:30–7:00 break 7:00–9:30 lecture	Thursday 5:10–6:30 lecture 6:30–7:00 break 7:00–9:30 lecture
Weeks 2–5 (6/23, 6/25, 6/30, 7/2, 7/7, 7/9, 7/14, 7/16)	Tuesday 5:10–5:30 review 5:30–6:30 exam 6:30–7:00 break 7:00–9:30 lecture	Thursday 5:10–6:30 lecture 6:30–7:00 break 7:00–9:30 lecture
Week 6 (7/21)	Tuesday 5:10–5:30 review 5:30–6:30 exam	

On each Tuesday listed, after a brief review during which students may ask questions, the exam will be given. Each exam will start promptly at 5:30 pm and will end at 6:30 pm. Students will not be allowed to use the dinner break period for the exam. A missed exam will result in a zero. No make-up exams will be given. No notes, books, calculators, or other aids may be used on the exams. The exam questions will be modeled after the problems and exercises in the text. The best way to learn the material and prepare for the exams is to do the homework.

## **Policies**

### **Disability Accommodation Policy**

To request academic accommodations for a disability, students must contact Disabilities Resources located on the second floor of Benson. Phone numbers are (408) 554-4111; TTY (408) 554-5445. Students must register and provide documentation of a disability to Disabilities Resources prior to receiving academic accommodations.

### **Academic Integrity Policy**

The University is committed to academic excellence and integrity. Students are expected to do their own work and to cite any sources they use. A student who is guilty of a dishonest act in an examination, paper, or other work required for a course, or who assists others in such an act, may, at the discretion of the instructor, receive a grade of F for the course.

In addition, a student found guilty of a dishonest act may be subject to sanctions up to and including dismissal from the University as a result of the student judicial process as described in the *Community Handbook*.

A student who violates copyright laws, including those covering the copying of software programs, or who knowingly alters official academic records from this or any other institution is subject to similar disciplinary action.
